

## Upload Physical Examination Form

May 23, 2022

This guide shows you how and when to upload the Physical Form to the Activity Registration Program.

First, you need to download the Physical Form and have it completed and ready to upload.

Once the form is completed, you can proceed with the Activity Registration.

**Note:** You can upload/add the Physical Form later.

You can also add/edit/view/remove the Physical Examination Form on your **Family Account Page**.

The screenshot displays the Ben Linnen Athletics website interface. On the left, the user profile for Mary Matthews is visible, including a 'Register' button. The main content area is titled 'View Attachment' and shows a table for physical forms. A callout box points to an edit icon in the 'File Name' column of the table, stating 'Click this icon to edit'. Another callout points to the 'Add' and 'Edit' buttons in the table, stating 'Click Edit to edit/view a Physical Form'. A third callout points to the 'Add' button, stating 'Click Add to add or remove a Physical Form'. A fourth callout points to the 'Save' button in the 'Physical Date' modal, stating 'You can add a second file of the Physical Form'.
